7th International Conference on Advances in Global Business, Economics Finance and Social Sciences (ICAGBEFSS 2022)

(11th -12th November 2022)

Conference Report

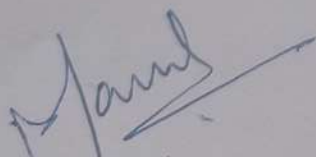

This conference aims was to increase the visibility of the research orientation of authors in both academic and industrial fraternity across Globe. The objective of this conference is to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Global Economics, Business and Finance. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered, and solutions adopted in the fields of Global Economics, Business and Finance and Social Sciences.

The call for papers for this conference was announced with an initial deadline in 30th September 2022 which attracted more than 400 submissions from all around the world. After the first round of reviewing, approximately 78% papers were being given opportunity to Revise and Resubmit their papers. The screening committee along with an online editorial committee worked hard over October 2022 to arrive at final decisions. In the end, 125 papers were found suitable for the presentation and accepted in proceeding publication. The proceeding contains accepted papers after rigorous review process.

Chief Guest, Guest of Honor, Keynote Speakers and Session chairs include the academicians from both academic and industrial fraternity.

Dr. Rajan Saxena, Founder Director IIM-Indore Former Vice Chancellor NMIMS University, Mumbai. Dr. Trisha Wald, J.D, Associate Dean, SWOSU, USA, Prof (Dr.) Odiljon Mamatkarimov, Rector, NIET, Uzbekistan, Dr. Hardeep S. Saluja, Professor and Program Coordinator SWOSU, USA graced the event with their valuable words.

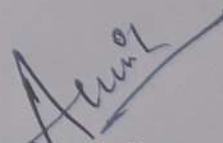

A gratitude to all keynote speakers and distinguished guests who could manage to spare their valuable time and share their wide and rich experiences. We are also very thankful to our session chairs for their enormous efforts in analyzing and reviewing the papers of their respective tracks. We also hope that all the participants who could virtually connect have enjoyed and learned from the conference that we have created for them.

ABOUT KIET GROUP OF INSTITUTIONS, GHAZIABAD

KIET Group of Institutions is recognized as one of the best engineering colleges in Delhi-NCR. Founded by the members of Krishna Charitable Society in 1998 with a modest number of 180 students, KIET Group of Institutions has now become a pioneer in the technical education domain with a strength of 6000+ students. The institute has gained a distinct image as an outstanding educational colossal among the technical institutions of Uttar Pradesh, due to its inclination towards innovative and skills based education. Its consistent belief in 'Achieving High' is aptly reflected in its academics extracurricular activities and placements. The success of its belief is clearly brought out in the plethora of Education Excellence Awards bagged by the institute. The institute has been accredited by NAAC with Grade 'A+' and its programmes (CSE, ECE, EEE, IT, ME, CE, MCA, MBA and Pharmacy) are NBA accredited.

ABOUT KIET SCHOOL OF MANAGEMENT

KIET School of Management was established in the year 2004 which offers Master's in Business Administration (MBA) program. This two-year full-time program is affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow. Across India, this is one of the very few university-offered MBA programs to be NBA accredited. The training is imparted with specialization in Human Resource, Marketing Management, Finance, Information Technology, International Business, and Operation Management.

GUIDELINES FOR THE CONTRIBUTORS

LINE SPACE: 1.5 Page Size; A4; Margin: Normal

PAPER TITLE (Font size 18 Bold, Times New Roman)

First Author¹, Second Author² (Font size 14 Bold, Times New Roman)

1. Department, College or UniversityName, (Country Name) (Font size 12 Italic, Times New Roman)

2. Department, College or UniversityName, (Country Name) (Font size 12 Italic, Times New Roman)

I. **ABSTRACT** (Font size 14 Bold, TIMES NEW ROMAN)

The abstract should summarize the content of the paper. Try to keep the abstract below 200 words. Do not make references nor display equations in the abstract. (12 Italic Times New Roman) Keywords (Font size 12 Bold, Italic): About five key words in alphabetical order, separated by comma (Font size 12, Times New Roman, Italic)

II. **INTRODUCTION** (Font size 14, TIMES NEW ROMAN, BOLD)

The introduction of the paper should explain the nature of the problem, previous work, purpose, and the contribution of the paper. The contents of each section may be provided to understand easily about the paper. (12 Times New Roman)

III. **HEADINGS** (Font size 14, TIMES NEW ROMAN, BOLD)

The headings and subheadings, starting with "1. Introduction", appears in upper-case and lower-case letters and should be set in bold and aligned flush left. All headings from the Introduction to Acknowledgements are numbered sequentially using 1, 2, 3, etc. Subheadings are numbered 1.1, 1.2, etc. If a subsection must be further divided, the numbers 1.1.1, 1.1.2, etc. The font size for heading is 14 points bold face and subsections with 12 points and not bold. Do not underline any of the headings, or add dashes, colons, etc. (Font size 12 Times New Roman)

IV. **INDENTATIONS AND EQUATIONS** (Font size 10, TIMES NEW ROMAN, BOLD)

The first paragraph under each heading or subheading should be flush left, and subsequent paragraphs should have a five-space indentation. A colon is inserted before an equation is presented, but there is no punctuation following the equation. All equations are numbered and referred to in the text solely by a number enclosed in a round bracket (i.e., (3) reads as "equation 3"). Ensure that any miscellaneous numbering system you use in your paper cannot be confused with a reference [4] or an equation (3) designation. (Font size 10, Times New Roman)

GUIDELINES FOR THE CONTRIBUTORS

V. FIGURES AND TABLES (Font size 14, TIMES NEW ROMAN, BOLD)

To ensure a high-quality product, diagrams and lettering **MUST** be either computer-drafted or drawn using India ink. Figure captions appear below the figure, are flush left, and are in lower case letters. When referring to a figure in the body of the text, the abbreviation "Fig." is used. Figures should be numbered in the order they appear in the text. Table captions appear centered above the table in upper- and lower-case letters. When referring to a table in the text, no abbreviation is used, and "Table" is capitalized. (Font size 10, Times New Roman)

VI. CONCLUSION (Font size 14, TIMES NEW ROMAN, BOLD)

A conclusion section must be included and should clearly indicate the advantages, limitations, and possible applications of the paper. Although a conclusion may review the main points of the paper, do not replicate the abstract as the conclusion. A conclusion might elaborate on the importance of the work or suggest applications and extensions. (Font size 12, Times New Roman)

VII. ACKNOWLEDGEMENTS (Font size 14, TIMES NEW ROMAN, BOLD)

An acknowledgement section may be presented after the conclusion, if desired (Font size 12, Times New Roman)

VIII. REFERENCES (Font size 14, TIMES NEW ROMAN, BOLD)

This heading is not assigned a number. A reference list **MUST** be included using the following information as a guide. Only cited text references are included. Each reference is referred to in the text by a number enclosed in a square bracket (i.e., [3]). References must be in APA style and ordered alphabetically. (Font size 12, Times New Roman)

Conference Presentations will be through Online Mode.

Abstract and full papers must be submitted electronically to:

Dear Riya Singhal,

I want to congratulate you on completing the Cisco® **CCNAv7: Introduction to Networks** course as part of the Cisco Networking Academy® program. This hands-on, lab-oriented course has prepared you for tremendous career opportunities.

You have achieved student level credential for completing CCNAv7: Introduction to Networks, and acquired the following capabilities:

- Configure switches and end devices to provide access to local and remote network resources.
- Explain how physical and data link layer protocols support the operation of Ethernet in a switched network.
- Configure routers to enable end-to-end connectivity between remote devices.
- Create IPv4 and IPv6 addressing schemes and verify network connectivity between devices
- Explain how the upper layers of the OSI model support network applications.
- Configure a small network with security best practices.
- Troubleshoot connectivity in a small network.

In today's world, technical literacy is more important than ever, and Cisco is proud to provide you with the knowledge and skills necessary to build and maintain digital networks.

Keep up the great work and best wishes for continued future success.

Sincerely,

Chuck Robbins
Chairman and Chief Executive Officer
Cisco

2-Day **ONLINE** TRAINING PROGRAM

NEW GENERATION DIGITAL SUBSTATION

TRAINING DATE: 18-19 May 2023

TIME: 3:00 pm – 4:30 pm

OVERVIEW

Tata Power-DDL invites all utility professionals and college students to witness new generation digital substation. Digital substations utilize a combination of current networking technology designed to satisfy the protection, control, and remote operational requirements of a modern substation, as well as sophisticated software programmes that can better manage grid assets. Global energy use for transportation, buildings, and industry is shifting from fossil fuels to carbon-free electric power generation. Due to the rapid expansion of distributed generation technology and the requirement to serve increased client loads, the electric grid must keep up. The contemporary digital substation is a crucial component of this system. Even with today's increasing proportion of renewable energy, it can assist prevent grid failures and provide high reliability at minimal cost.

To,

Dr. Neeraj Kumar Gupta,

We are very happy to inform you that your final year student Mr. Deverishi Prakash (University Roll No 1900290210056) is working on our AI Application based project in an extremely well manner. To encourage the outstanding work in the domain of Application of **Artificial Intelligence** by a student of **Electrical and Electronics Engineering**, the company offers him the tuition fee of Rs 1,12,099 /- for the year 2022-2023 as an appreciation amount and recognition for his good work.

The fee will be deposited in the bank account of your institute (details to be provided by you) in four installments (Quarterly). We expect this will encourage more students to work on live projects in future.

Looking for working of your students on more projects in future.

Warm Regards,

Hi Neeraj,

As discussed, we have a project where we need to develop a software which can read a document (PDF, Word or Excel spread sheet) of many pages and generate a summary of maximum 1 page. We will provide the Key Words of our interests. Please let me know if you or your team have this capability. If yes, I would like them to visit us in our Noida office possibly this week where I will explain the project details.

Office address: <https://g.page/saraca-solutions-pvt-ltd?share>

I am providing you an example of the two paper where we need to search on the Key words:

- Orthopaediatrics plates and screws
- Pediatric proximal femur fractures and fixation
- Pediatric proximal femur plate fixation

Please let me know if you have any questions.

Warm Regards,

Kuldeep Tyagi, Founder & CEO

Dear Prof.(Dr.) Neeraj

On behalf of SARACA Solutions, Noida, Uttar Pradesh, INDIA, I feel my pleasure to invite Prof. Neeraj Kumar Gupta and Prof. Salim as a Member (Academic) of an expert panel of SARACA solutions.

I am writing this mail with extreme happiness about the successful completion of the recruitment process automation project. I would like to thank all the team members of your organization for their wonderful coordination and involvement in completing the project on time and with perfection, despite so many challenges that cropped up during this process.

It was an amazing experience for our team members to work with your team. The level of professionalism and dedication that they exhibited while working on the project is praiseworthy.

Once again, I thank and appreciate you and your team members for your extreme support in completing this project. SARACA solutions are hopeful that we will set new standards with our upcoming projects in future.

I would request you to start working on the "AI summary tool" project.

Congratulations on your good work so far and looking forward to our collaboration.
